*"Eri qui quando sei arrivato,
resterai qui quando te ne andrai"*

*"You were here when you came,
and you will stay here when you leave"*

Si dice che l'uomo moderno sia colui che è capace di dialogare con le nuvole tenendo i piedi ben piantati per terra.

Vittorio Marelli è sempre stato così.

Fantasia e concretezza, che insieme alla passione ed alla perseveranza, diventano la miscela magica capace di prendere per mano un'idea e condurla al suo compimento.

Una vita dedicata ad immaginare e produrre divani e poltrone. Un lavoro lungo mezzo secolo, guidato da un solo dogma: qualità, bellezza e cultura, sempre.

E' così anche per il suo ultimo progetto che inaugura questo catalogo.

Seguire la luce del suo sguardo, appassionato e fiero, sarà il modo per dire Grazie.

They say a modern man has his head in the clouds and his feet firmly on the ground.

Vittorio Marelli was always like this.

A fusion of imagination and practicality, when combined with passion and persistence, generates the magnetic force capable of grasping an idea and guiding it toward its realization.

A life dedicated to imagining and crafting sofas and armchairs. A labor of love that has lasted for half a century, defined and directed by a steadfast principle: excellence, aesthetics, and culture, without exception.

This is also true of his last project, which inaugurates this new catalog.

Following the light of his gaze, passionate and proud, will be the way to say Thank you.

Scegliere un divano e una poltrona Marac è come una luce accesa dietro la porta: ti dice che sei a casa. E stai bene.

Choosing a sofa or an armchair made by Marac is like a light on your door: it shows that you are home. And feel well.

Auf einem Marac Sofa oder einem Sessel zu sitzen gibt Dir das Gefühl zu Hause zu sein.
