ARTE VENEZIANA

Bespoke Handcrafted Italian Furniture

Arte Veneziana, a company with a strong tradition and innovation in the art of glass decoration and bespoke interiors, returns to the Milano Design Week 2023 to present its latest unique and unrivalled collections. Glass is a material that we have 'bet' to tackle time and again, and the results are unparalleled. Our know-how, passion and love for aesthetics have enabled us to create surfaces of the latest trend to impress and decorate interiors with both style and flair. Innovation, craftsmanship and glass are our pillars in the quest for the most contemporary and bespoke design. Each collection reflects and conveys the personality of the designer who created it.

Arte Veneziana, azienda con una forte tradizione e innovazione nell'arte della decorazione del vetro e degli interni su misura, torna alla Milano Design Week 2023 per presentare le sue ultime collezioni uniche e del tutto originali. Il vetro è un materiale che abbiamo 'scommesso' di affrontare più e più volte e i risultati non hanno eguali. Il nostro know-how, la passione e l'amore per l'estetica ci hanno permesso di creare superfici di ultima tendenza per stupire e decorare gli interni con stile ed estro. Innovazione, artigianalità e vetro sono i nostri pilastri nella ricerca del design più contemporaneo e su misura. Ogni collezione riflette e trasmette la personalità del designer che l'ha creata.

MELT Collection

Design by Leo De Carlo

The MELT collection is a tribute to the industriousness of Murano and the lakeside nature that surrounds the island. Inspired by the technique of glass casting that takes place in the furnaces of Murano, through the irregularity of the fusion, MELT furniture takes on a soft aesthetic in its shapes and organic in its surfaces. But MELT is also a metaphoric representation of the material that surrounds Venice: water.
