TABLO: DINNER WITH FRIENDS

More than just a piece of furniture. A place where stories are shared and different cultures come together. Tablo, flexible in form, noble in material, and perfectly tailored to individual living spaces—whether with solid wood tops or the timeless elegance of natural stone tops. A special highlight for social gatherings are the inserted turntable – available in modern black metal or grey Jura natural stone – as well as an additional metal turntable, making sharing at the table both stylish and comfortable. Unique piece production.

Untreated wood gets its unique character due to the naturalness. Colour or structure variations from the samples shown are standard and have to be accepted. The wood will get a desired patina overtime with daily use, which emphasizes the character of the wood. For further care please notice the general wood information. Puttied areas may have a different colour appearance depending on the surface. For example, dark putty can look lighter on untreated wood.
